

Dear \_\_\_\_\_,

I am participating in the 5th Annual Wounded Warriors on the Water Fishing Tournament to benefit Camp Ryan Adams on June 11, 2017 in Pewaukee, WI. I am contacting you to ask for your support of my participation in this cause to raise the much-needed funds for our combat-wounded veterans.

The mission of Camp Ryan Adams is to facilitate the emotional healing in the outdoors of disabled and wounded individuals and their families. Special emphasis is focused on U.S.A. Military Veterans. The camp's environment and activities promote fellowship, community and new relationships by giving these people unique experiences in the outdoors with their fellow veterans, their families and friends and other people who are all an important part of the healing process.

The Wounded Warriors on the Water event is part fundraiser and part healing experience for up to twelve of our nation's veterans. Through this fundraising effort and corporate sponsorships, we aim to raise at least \$20,000 for Camp Ryan Adams and their mission. During the tournament weekend, we bring combat-wounded veterans to the beautiful Lake Country area to enjoy the lakes and to participate in our bass tournament. Each veteran is paired with a fishing guide who provides everything they need to enjoy a day of camaraderie and competition in an officially-sanctioned bass tournament hosted by the Wisconsin Alliance of Bass Tournament Anglers.

This fishing tournament has been and incredible healing experience for dozens of veterans who have participated over the years and offers inspiration to all participating anglers and veterans who will join us for the event that day.

If you would like to contribute to this great cause, please send your donation along with the bottom portion of this letter to Wounded Warriors on the Water:
